“Experienced Operator” Course\*

## Declaration

The purpose of this declaration is to ensure that only properly experienced operators attend this course. The instructor will have authority to dismiss any trainee from the course if it is found that experience levels are not appropriate.

Title of course :		Course code:	
Start date of course:		Duration : (days)	
Name of trainee:		Date of birth:	
Employment status:			

“I confirm that the above-named trainee has had sufficient experience regularly carrying out the tasks / activities relevant to this course to complete it in the reduced duration specified. I understand that the “Experienced Operator” course will not cover all aspects in the same detail as a basic course of the same title. I believe that the above-named trainee has the appropriate level of experience to benefit from, and achieve the training objectives of the course. I understand that no certificate will be issued if the training objectives are not met and that further training as specified by the Instructor and Training Provider may be required.”

NB: For Lift Truck and Plant courses, the practical operator’s test includes a theory test that is more difficult for someone without formal training to pass\*.
