PRODUCT OVERVIEW:

THE MODEL 490 DRUM is a compact, economically priced unit that will provide an excellent means of disposing of limbs, branches, and other debris. These units are extremely popular rental machines, especially for the homeowner looking to clean up their yard in the fall and winter.

This machine features a Briggs & Stratton 18-horsepower gas engine and can easily be loaded into the back of a truck or small trailer. Rental houses will find that the Model 490XP Drop Feed Chipper will provide a quick return on investment!

A compact brush chipper for homeowners and contractors alike!

The Model 490 Drop Feed Chipper is always on the move! This compact chipper can easily be loaded and transported from one job site to the next, making disposal of limbs and yard debris a breeze! Perfect for a wide range of applications, from residential storm clean up or seasonal yard work. The Model 490XP features an 18-horsepower gas engine and a unique drop-feed chipper opening for ease of loading.

OTHER UNITS YOU MAY BE INTERESTED IN:

Bandit Model 990XP
